Accessibility

Accessibility Statement

We have designed this website to be accessible to as many users as possible and we seek ways to improve accessibility regularly.

ACCESSIBILITY INFORMATION

Features – HTML

Headings

This site uses HTML headings to organize page content. Some assistive technologies will allow you to navigate from heading to heading using a keyboard shortcut.

Text Size

You can modify the text size using the controls in your browser. In Internet Explorer, select Text Size from the View menu item. Then choose the preferred size. If you have a wheel mouse hold the control key down and scroll up and down to adjust the text size.
